

MUTUAL NON-DISCLOSURE AGREEMENT (NDA)

Bilateral Confidentiality & Intellectual Property Protection Agreement

This Mutual Non-Disclosure Agreement (the 'Agreement') is entered into by and between:
Party A: Hangzhou JIZHI Mechatronic Co., Ltd. (Shenzhen Stock Exchange: 300553), having its registered office in Hangzhou, Zhejiang, China, and
Party B: The technical evaluation partner / corporate purchaser whose details appear on the signature schedule below.
(Each individually a 'Party' and collectively the 'Parties').

1. Purpose of Disclosure

The Parties wish to explore potential business relationships involving high-precision dynamic balancing machinery, automated rotor correction systems, laser straightening units, and technical specifications (the 'Purpose'). In connection with the Purpose, either Party may disclose confidential and proprietary engineering drawings, STEP files, tolerances, and commercial terms to the other.

2. Definition of Confidential Information

'Confidential Information' refers to any non-public technical, mechanical, electrical, financial, or commercial information disclosed by one Party to the other, whether orally, in writing, electronically, or by inspection of machinery, rotor drawings, Cpk requirements, and cycle times.

3. Non-Disclosure & Non-Use Obligations

The Receiving Party agrees: (a) to protect Confidential Information with the same degree of care it uses for its own confidential information, but not less than reasonable care; (b) not to disclose Confidential Information to third parties without prior written consent; and (c) to use Confidential Information solely for evaluating or executing the Purpose.

4. Term and Governing Law

This Agreement shall remain in effect for a period of three (3) years from the date of disclosure. This Agreement shall be governed by international commercial standards and may be executed electronically via digital signature.
